CMSP Letter 92-4

TO: All CMSP County Welfare Directors

SUBJECT: USE OF CMSP INFORMATION NOTICE 01

This letter is to remind all counties that the County Medical Services Program (CMSP) Information Notice 01 ("Important Information About Your CMSP Card and Benefits") should be routinely given to all applicants and anyone who asks about CMSP benefits or operations. While the notice contains much information, it is not a detailed listing of all covered medical procedures. Thus, its distribution can reduce the number of questions asked by beneficiaries and the public.

As always, questions regarding specific benefits or procedures should be directed to the CMSP office at (916) 322-1478. Provider requests for authorization to perform specific medical procedures should be directed to the provider's local Medi-Cal Field Office.

Thank you for your attention to these matters.

Sincerely,

Jim Martinez, Chief  
County Medical Services Program
